#### Terms and Conditions:

1. This promotion is only applicable to a new ManuGlobal Saver policy application that has been successfully submitted via a Manulife insurance advisor from January 3, 2024 to June 30, 2024 (both dates inclusive) together with a valid proposal including the relevant campaign code and premium discount shown, and approved by Manulife on or before September 30, 2024 ('Eligible Policy').
2. This promotion is only applicable to the basic plan's premium. All supplementary benefits' premium or prepayment of premium (if any) will not be taken into account in calculating the premium discount.
3. Under the premium discount promotion for single premium:
  - i. The applicable premium discount as specified above will be applied to the single premium of the Eligible Policy.
  - ii. If the policyowner increases the notional amount of the Eligible Policy before the end of the first policy year, the basic plan's single premium before the increase will be used to determine the amount of premium discount. For decrease of the notional amount of the Eligible Policy before the end of the first policy year, the basic plan's single premium after the decrease will be used to determine the amount of premium discount. Manulife shall have the right to request the policyowner to pay back the difference between the premium discount provided to the Eligible Policy and the entitled premium discount amount after adjustment.
4. Under the premium discount promotion for regular premiums:
  - i. Annualized premium is the total amount of basic plan's premium payable in respect of the first 12 months from the policy year date.
  - ii. The applicable premium discount as specified above will be applied to each premium amount due and payable for the first/second policy year respectively (as the case may be) according to the payment mode of the Eligible Policy.
  - iii. If there are any subsequent changes (including but not limited to notional amount change) on the basic plan of the Eligible Policy before the end of the first/second policy year (as the case may be):
    - a) If the change results in an increase in basic plan's premium, the basic plan's premium before the increase will be used to determine the applicable premium discount % and the entitled premium discount amount for the first/second policy year respectively (as the case may be).
    - b) If the change results in a decrease in basic plan's premium, the basic plan's premium after the decrease will be used to determine the applicable premium discount % and the entitled premium discount amount for the first/second policy year respectively (as the case may be), which would be adjusted as if the relevant change(s) occurred in the beginning of the first/second policy year (as the case may be). Manulife shall have the right to request the policyowner to pay back the difference between the premium discount provided to the Eligible Policy and the entitled premium discount amount after adjustment.
5. If the policyowner cancels, surrenders or terminates (including but not limited to termination due to the death of the life insured) the Eligible Policy before the end of the first policy year (for single premium) or before the end of the first/second policy year (as the case may be) (for regular premiums), Manulife shall have the right to deduct the amount of all premium discount(s) you received from the policy proceeds of the Eligible Policy in case of policy cancellation, surrender or termination.
6. The premium discount for the first/second policy year (as the case may be) will cease to apply immediately if there are any subsequent alterations (except where specified in (3.ii. and 4.iii.) above) to or termination of the Eligible Policy in the first/second policy year (as the case may be) for whatever reasons before applying the amount of the premium discount.
7. For Eligible Policy issued in Hong Kong, levy on insurance premium to be collected by the Insurance Authority is calculated based on the premium before applying the amount of the premium discount.
8. The premium discount is non-transferable and non-redeemable for cash. In case of premium refund, any part of premium payments that is offset by the premium discount can under no circumstances be counted as premium paid and will not be included in the refund amount. For the avoidance of doubt, the premium discount will not affect any benefit the policyowner is entitled to under the Eligible Policy.
9. This promotion does not apply if you have terminated any existing policy or withdrawn any application of new policy of ManuGlobal Saver for the same life insured within six months before the Eligible Policy is applied.
10. This promotion cannot be used in conjunction with any other promotion unless otherwise agreed by Manulife.
11. Manulife reserves the right to change, terminate or cancel the promotion at any time without prior notice. Manulife's decision shall be final and conclusive.

In this leaflet, 'you' and 'your' refer to the policyowner. 'Manulife', 'we', 'us' and 'our' refer to Manulife (International) Limited (Incorporated in Bermuda with limited liability), a subsidiary of Manulife Financial Corporation.
