

Whole-in-One Prime 3: Lower Risk Classification, Lower Premium Rates

Promotion period: From Jul 21, 2025 to October 20, 2025

To help you secure a brighter future for yourself and your loved ones, we're excited to offer a special promotion on Whole-in-One Prime 3 (WIOP3). During the promotion period, if you apply for a WIOP3 policy and meet the following eligibility criteria, you can enjoy a 'one-class upgrade' as defined below:

Eligibility:

- The proposed insured must be Age[#] 18 or above
- Minimum Notional Amount: USD1,000,000
- For the purpose of applying for a WIOP3 policy, the proposed insured undergoes a fresh medical assessment at Manulife's designated medical centre, which may include, but is not limited to, a medical exam, lab tests, an attending physician statement, and other discretionary requirements based on their medical history. The underwriting results should indicate a standard risk or above. (Cases with extra premium/premium loading or with case-based exclusion(s) are not covered in this campaign)

What does a 'one-class upgrade' mean? It means you will be in a better risk classification, resulting in a lower premium.

- If the proposed insured is eligible for Standard non-smoker, he/she will be upgraded to Standard Plus non-smoker
- If the proposed insured is eligible for Standard Plus non-smoker, he/she will be upgraded to Preferred non-smoker
- If the proposed insured is eligible for Preferred non-smoker, he/she will be upgraded to Super Preferred non-smoker*
- If the proposed insured is eligible for Standard Smoker, he/she will be upgraded to Preferred smoker

Risk classification upgrade allowed:

[#] 'Age' means age nearest birthday.

* Only applicable to selected countries or places of residence such as Hong Kong, Macau, Mainland China (exclude Tibet and Xinjiang), Taiwan and Singapore, please consult with the Manulife insurance advisor on the eligibility of other countries or places of residence.

The projected values in the benefit illustration will be changed due to the change of risk class classifications under this promotion. Please refer to the benefit illustrations with and without adopting the change of risk classifications for your consideration.
